

bird craft

1. Prep: Cut paper plates in half. Cut small triangles out of orange paper for the beak.
2. Paint the plates.
3. Glue feathers, a beak, and two googly eyes to the bird.

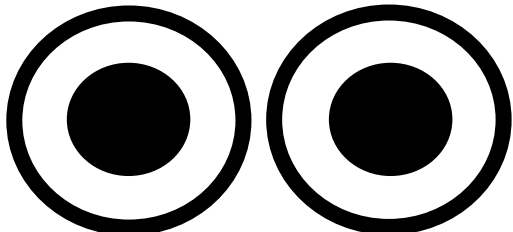

SKUNK CRAFT

1. Prep: Print and create the stencil/pattern pieces.
2. Paint a paper bag black.
3. Trace the stencils on construction paper and cut out.
4. Glue pieces to the paper bag.

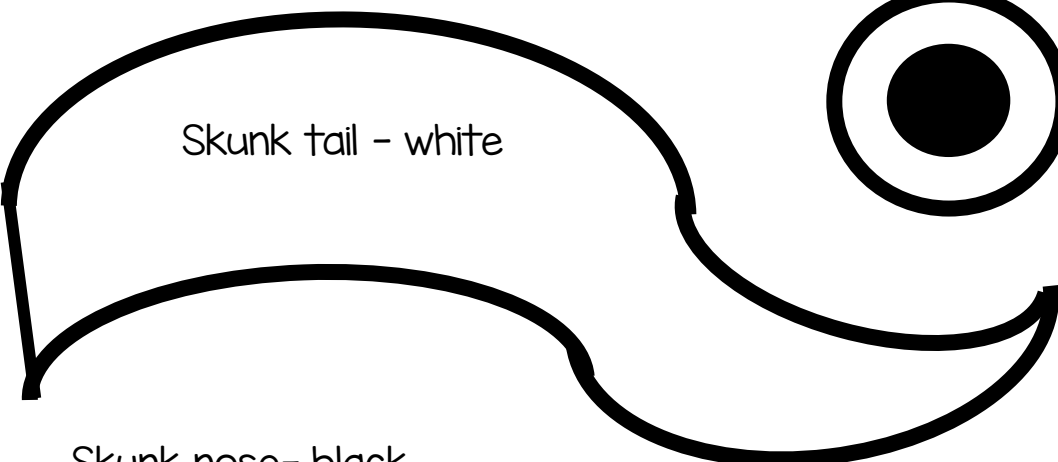

***There is a page of the white bellies, eyes, and white part of the tails. You can print this page on white cardstock and give one to each student. Then they would only need to trace and cut out the nose and black part of the tail.

WHITE SKUNK PIECES

owl craft

1. Prep: Fold both sides of the paper plate in to create the wings. Then fold the top down to create the head, and staple. Cut small triangles out of orange paper for the beak. Print out the eyes page on cardstock. Each student will need two eyes.
2. Sponge paint the owls any color you like.
3. Cut out the eyes.
4. Glue the beak and eyes to the owl.

raccoon craft

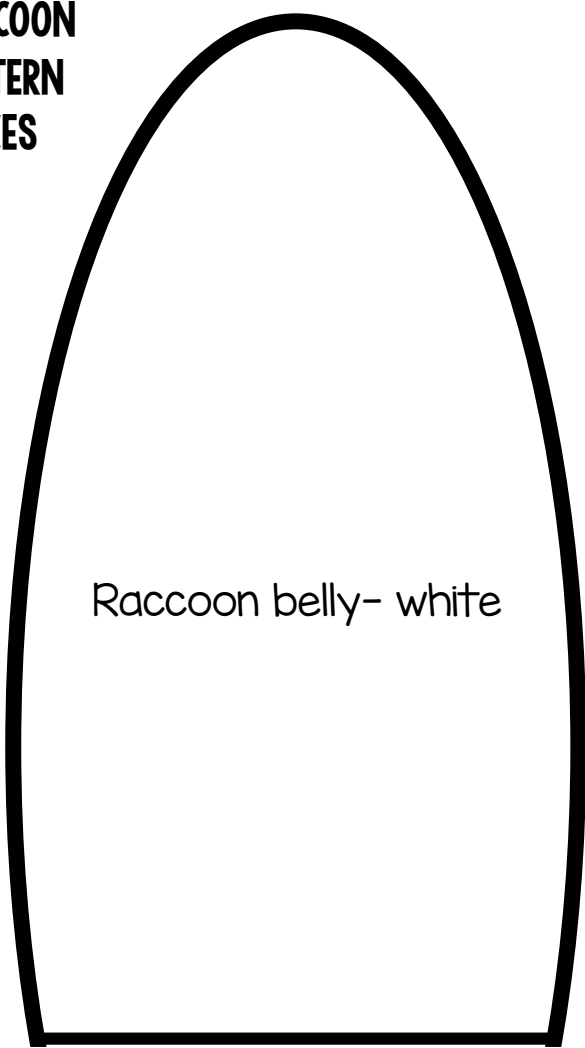

1. Prep: Print and create the stencil/pattern pieces. Print out the eyes page on cardstock. Each student will need two eyes.
2. Paint a paper bag grey.
3. Trace the stencils on construction paper and cut out. Cut out the eyes too.
4. Glue the pieces to the paper bag.
5. Paint grey stripes on the tail.

***There is a page of the white bellies. You can print this page on white cardstock and give one to each student. Then they would only need to trace and cut out the mask, nose, and tail.
